

## Bryan Schmidt

+34 672 26 07 69    bryan.schmidt03@icloud.com    Madrid, Spain

### Profile

Born in Paraguay, I grew up between Canada and Spain, spending 6 years in the first, and 10 years in the latter. I graduated high school in 2021 at an American high school in Madrid - Evangelical Christian Academy. After graduating, I spent a year back in Canada working in the manufacturing industry. I moved back to Spain after that year, and spent half my time working as a barista at a specialty coffee shop, and the other half studying online with Codecademy to become a front end engineer. Now I am planning on moving to Alberta, Canada, and want to pursue my passion for coding.

### Experience

#### **PLASMA CUTTER OPERATOR, MIDLAND MANUFACTURING LIMITED, ROSENORT, MB, 08-21 – 05-22**

This job included heavy overhead crane usage, time and space management, basic computer usage, and logic.

#### **ROBOTIC WELDER OPERATOR, SUN-TECH, ROSENORT, MB, 06-22 - 09-22**

This job included forklift operating, basic hand welding skills, basic computer usage, time and space management, and logic.

#### **BARISTA, BRILLA CAFE, ALCALA DE HENARES, MADRID, 02-23 - 09-23**

This job included team skills and leadership, attention to detail and instructions, and providing quality customer service.
