### Profile

Born in Paraguay, I grew up between Canada and Spain, spending 6 years in the first, and 10 years in the latter. I graduated high school in 2021 at an American high school in Madrid - Evangelical Christian Academy. After that, I spent a year back in Canada working. Now I am back living in Spain, looking to start studying Computer science in the spring.

### Experience

**PLASMA CUTTER OPERATOR, MIDLAND MANUFACTURING LIMITED, ROSENORT, MB, 08-21 – 05-22**

This job included heavy overhead crane usage, time and space management, basic computer usage, and logic.

**ROBOTIC WELDER OPERATOR, SUN-TECH, ROSENORT, MB, 06-22 - 09-22**

This job included forklift operating, basic hand welding skills, and basic computer usage.

### Education

High school diploma, Evangelical Christian Academy, Madrid, Spain, 2021

### Skills

I am used to repetitive shop work, know how to operate shop tools and equipment, am qualified to operate overhead cranes and forklifts, and can pick up other skills quickly. I also have basic welding skills and know how to operate most machine computers. In addition to physical skills, I am fluent in English, Spanish and French.
